**WHOLESALE PRICE LIST OF
PEONIES**

Fall of 1922 and Spring of 1923

Franklin Nursery

A. B. Franklin, Prop.
Minneapolis, Minn.

Prices quoted on peonies we offer are for strong divisions of from three to five eyes.

This list is for the Trade only and prices quoted are NET.

Six of one variety will be supplied at the dozen rate or twenty-five at the hundred rate.

If detailed description is desired, ask for our general catalogue which we will gladly mail upon request.

Unless credit already established or satisfactory bank references supplied, our terms are cash with order or before shipment is made.

No orders accepted for less than \$5.00.

We begin filling orders about September 1st, and continue shipments throughout the fall season.

All shipments made at purchaser's risk. We exercise great care in packing and with ordinary handling they should carry through to destination in fine condition.

We send out nothing but good, strong, healthy stock, true to name.

Quality of stock taken into consideration, we believe our prices are as attractive as any offered.

Should you desire prices in quantity on varieties not listed herein, kindly write us and we will be pleased to quote on same if we have sufficient stock to warrant doing so. We devote several acres to the cultivation of the peony.

In addition to growing a large acreage of peonies we grow large quantities of gladioli and will issue a list to the trade in early fall.

If smaller divisions are desired, kindly write us for prices.

Address all communications and send all remittances to the
